

# AMP CAPITAL CORE INFRASTRUCTURE FUND

23 DECEMBER 2016

---

## New Product Disclosure Statement changes

We are writing to advise you we have updated the Product Disclosure Statement (PDS) for the AMP Capital Core Infrastructure Fund (the Fund). The new PDS will be available on our website ([www.ampcapital.com.au](http://www.ampcapital.com.au) – then go to the Fund's page) on 23 December 2016. The new PDS reflects a change in distribution frequency, as described below.

Before making any investment decisions, we recommend you read the information in the PDS about the benefits and risks of investing and the other features of the Fund.

## Change in distribution frequency

In keeping with many investors' preference to receive regular income distributions, from the start of 2017 the Fund will make income distributions quarterly rather than six-monthly as is currently the case. This means the Fund will pay income distributions following the end of March, June, September and December each year. For those investors who prefer not to receive cash distributions, the Fund's distribution reinvestment plan remains in place.
